

**Is it ok to doubt?**

Answer: \_\_\_\_\_

The Bible addresses doubt/unbelief that is not healthy

- James 1:5-8
- Moses, Elijah and David

The Bible also addresses a different kind of faith

- Mark 9:20-24
- A faith that is still trying to get things together
- Sometimes we look at Christianity wrong

Question: How do I walk with God and live with doubt?

1. \_\_\_\_\_ with God

Truth: God knew you were lost and struggling before he saved you.

- 1 John 1:5-7
- Don't allow struggles to keep you from God.

2. \_\_\_\_\_ it to God.

- "help me in my unbelief"
- Peter's reaching out
- The thief on the cross
- James 5:13-16

3. \_\_\_\_\_ it to God.

- Understand that it's not you who saves you!
- God never condemns the person who struggles. He saves the searcher!

**Life Group Study Guide**

1. What doubts do you struggle with most in this world?
2. When it comes to God, what doubts do you have?
3. What do you think made people like Moses, Elijah and David have doubts?
4. How do you think we can better trust God for our salvations (instead of ourselves)?
5. When you walk and stumble (maybe because of doubt) how do you get up and continue?
6. What struggle do we have in asking God for help when we know we have messed up due to unbelief?
7. How do we let God be God? In our walk? In our families? In our church community?

- **With the cases of Coronavirus continuing to rise steadily, the Elders would like to remind everyone to use the hand sanitizing stations in the building (1-by nursery; 1-by library; 1- gym foyer; 1-foyer table). In addition, they would like to encourage mask wearing when interacting with one another. If we remain vigilant, maybe we can beat this thing!**

**Satisfying Rain**

After days of hot sun, down came the rain,  
 It watered the garden, and flowed down the drain.  
 In less than five hours, the month’s quota met,  
 The news had reported, a record was set.

The drink was welcomed, by the parched earth,  
 Ending the dry spell, experienced by Perth.  
 But soon people complained, about getting wet,  
 They wanted the sun, how soon they forget.

We’re never satisfied with what we get,  
 It’s too hot or too cold, too dry or too wet.  
 We want 74 degrees, with sky that is blue,  
 And rain for an hour, in the morning at two.

We should be grateful, for the sun and the rain,  
 Make the most of it all, and do not complain.  
 When things do happen, which we can’t control  
 Leave it in His hands, it’s part of his goal.

-Bill Hoeneveld
