

In Need of Healing (Luke 8:40-48)

Do you ever feel left out or out of place? This is how this woman must have felt.

Luke 8:40-48

Isn't it good news that we have a Savior who is touchable?

I. What does it mean to be touchable?

- a. Accessible
- b. Adaptable (Mark 1,2,3 & 4)

II. Background on the woman who comes to see Jesus.

- a. She is about as far away from Jairus on the Jewish social scale as possible (Mark 5:26).
- b. For twelve years she had been unclean.
- c. She does have a couple of problems that she will need to solve.
- d. Mark tells us her plan (Mark 5:27-33).
- e. Out of this section comes this idea: Nothing is impossible with God (Mark 5:34).

III. Conclusion – I want you to remember a couple of things from this story:

- a. Jesus cares! (Luke 19; Luke 18)
- b. Real faith dares!

Announcement from the Elders

The Elders have decided to cancel all worship services, all church activities and all related travels until further notice due to the current Coronavirus crisis and out of the concern for the health and well-being of all our church family. The scriptures teach us to come together to worship God and glorify His name, but it also teaches us to love, care for and watch over one another as God loves, cares for and watches over us. In the meantime, please use this time to pray and to read and study God's Word until we meet again to worship Him. You may also watch and listen to Sunday morning worship services live at 10 a.m. on Facebook Live and on 106.5 FM. We love you all. God Bless.
