Small Group Bible Study

1. What was the people's response to Nehemiah's challenge? Was everybody on board?
2. What do you learn from the fact that Nehemiah knew who worked "next to" whom? What does that tell you about the organization and cooperation involved in this effort?
3. What attitudes and actions from Nehemiah's team of wall builders fit Christians who want to build the Church? Which attitudes and actions should we avoid?
4. Why is unity so important to this story? Can anything truly be successful without unity?
5. How does selfishness fit into the problem of disunity? How can we learn to keep our selfish desires in check?
6. If we are to have an intentional desire for unity in our congregation, how do we achieve it? How do we maintain it? How do we recover it when it is being challenged or even lost?
