Study Guide

1. Focus on Ephesians 3:20-21. What comes to mind as you read this passage? Do we challenge God enough with our dreams and visions? Was the vision of the Elders enough of a challenge?
2. Why are our children so important? If you've raised your kids in CCR, what things did we do to help you raise them? If you are raising your kids now, what do you need from this Church?
3. In the sermon, we talked about the "front door" both the building and online. Why is the "front door" so important? What things do we need to do differently to make that "front door" more welcoming?
4. How does mentoring factor in helping reach young families? Where do you fit in that process? A mentor, someone who walks beside, a prayer warrior? What other ways can you help impact young families?
5. "We are the Church of now" was the ending of the sermon. Should we "forget" who we were? Why is it important to be "who we are now"?
