Small Group Bible Study

Text: Titus 1:1-4

1. When Paul uses the word "elect" what do you think he means?
2. Is the Church perfect? Why or why not? Do we tend to expect perfection from our fellow Christians? What should we expect from one another?
3. How do we handle the imperfections of the Church?
4. How would you handle Christians who want to beat up the Church from the inside? How about the non-Christians from the outside?
5. What does it mean to be justified by faith?
6. What does it mean to walk by faith?
7. In the context of the book of Titus, why is "knowledge of the truth" so important? What compels us to share the truth? What hinders us?
