

This Sunday's Memorial Day worship service will focus on the biblical theme of remembrance.

Through Scripture readings, congregational singing, communion, and a shared message presented by several speakers, we will reflect on God's faithfulness in the past, His presence with us today, and the hope He has prepared for the future.

Together we will remember, worship, and look forward with gratitude and faith.

### Study Guide

1. Why do you think God commanded Israel to build the memorial at Gilgal? What does that teach us about the importance of remembering?
2. What are some "twelve stones" in your own life – specific moments when God showed his faithfulness in a way you would never forget?
3. What makes the Lord's Supper a memorial of the present, not just a remembering of the past?
4. How does communion shape the identity and unity of the Church?
5. What does John's vision of the throne room in Revelation 4-5 teach us about who truly controls history?
6. Of the three memorials in the worship service – looking back, present, and forward – which one speaks most deeply to you right now? Why?
